TOUGHPAD FZ-M1

FULLY-RUGGED 7" WINDOWS® 8 TABLET.

The Panasonic Toughpad® FZ-M1 is a fully-rugged, highly configurable, enterprise-class tablet powered by Windows® 8.1 Pro and a choice of a 4th generation Intel® Core™ i5 vPro™ processor for high performance applications; or an Intel® Celeron® processor ideal for cloud-based productivity. As the world's thinnest and lightest rugged 7" Windows® tablet, and with an array of available accessories, it delivers the high performance horsepower that mission-critical mobile workers depend on for productivity without compromise. Panasonic tests all third party accessories to ensure they meet the same quality and reliability standards our customers expect.

- 4th generation Intel® Core™ i5 vPro™ processor or Intel® Celeron® processor
- User-replaceable battery, optional bridge battery and long life battery
- USB 3.0, optional NFC, Ethernet, serial, SmartCard, magnetic stripe, RFID and barcode readers
- Wi-Fi, Bluetooth® and optional dedicated GPS
- 4G LTE multi carrier mobile broadband
- 3-year warranty with business class support

SERVICES

MANAGED IT SERVICES

TIER-1 HELP-DESK SERVICES, providing tablet hardware and operating system support Monday-Friday, 9 am to 5 pm. In-depth troubleshooting or access is coordinated through local deskside support resources.

TIER-2 SERVICES, providing tablet hardware and operating system support Monday-Friday, 9 am to 5 pm. Remote troubleshooting tools are utilized. This service provides resources to assist Level-1 support in resolving technical problems and investigating elevated problems by confirming problem validity and seeking known solutions for more complex issues. This is suitable for locations where there are no local deskside technicians available for advanced troubleshooting.

NETWORK MONITORING AND MANAGEMENT SERVICES include alert/alarm monitoring, device operating system patch management and performance reporting. These functions provide effective problem diagnostics and statistical gathering of traffic to enable more efficient administration and network tuning.

SERVICES

FRONTLINE CONSULTING

Frontline consulting service is a project management-driven service that assigns Panasonic technology consultants to ensure a successful product deployment. The consultants specialize in every phase of your deployment, including:

- IT Management Technologies
- Network and Wireless Technologies
- Software Development
- Field Engineering

The Panasonic Consultant Service team will follow your deployment through every phase of the information technology life cycle, which includes planning, engineering, validation, deployment and post deployment wrap up.

DEPLOYMENT, MAINTENANCE AND SUPPORT

Panasonic offers a comprehensive suite of solutions to help roll out, install, support and monitor your technology.

DEPLOYMENT SERVICES

Frontline deployment service	CF-S09TFMFDSVC
Frontline deployment service (less than 150 units)	CF-S09TFMDSVC

PROJECT MANAGEMENT SERVICES

Project/logistics management (per day)	CF-SVCFLDPROJ
Project/logistics management (per unit)	CF-SVCPROJMGMT

EXTENDED WARRANTY AND PROTECTION PLUS SERVICE PROGRAMS

EXTENDED WARRANTY*

This warranty enables your organization to extend the 3-year standard warranty coverage that comes with every Panasonic Toughpad® computer to either 4 or 5 years depending on budget needs. A separate battery warranty program is available under the Extended Warranty Battery Replacement program.

1 Additional Year	FZ-SVCTPEXT1Y
2 Additional Years	FZ-SVCTPEXT2Y

EXTENDED BATTERY WARRANTY

This warranty enables your organization to extend the 1-year standard battery warranty coverage that comes with every Panasonic Toughpad computer to either 2, 3, 4 or 5 years depending on budget needs.

1 Additional Year	FZ-SVCTPBXW1Y
2 Additional Years	FZ-SVCTPBXW2Y
3 Additional Years	FZ-SVCTPBXW3Y
4 Additional Years	FZ-SVCTPBXW4Y

PROTECTION PLUS*

This warranty adds an additional layer of protection that enhances the standard warranty coverage by protecting against accidental physical damage that occurs during regular use of a Toughpad computer. This warranty program may be purchased for the 3-year warranty period or for 1 or 2 additional years beyond the standard warranty period.

3 Years	FZ-SVCTPNF3Y
4 Years	FZ-SVCTPNF4Y
5 Years	FZ-SVCTPNF5Y

HOT SWAP PROGRAM**

This service minimizes user downtime by shipping customer-owned Toughpad devices for next-business-day delivery directly to your organization's users from our National Service Center to replace the Toughpad that needs to be sent in for repair. This program may be purchased for the 3-year warranty period or for 1 or 2 additional years beyond the standard warranty period.

3 Years	FZ-SVCTPHS3Y
4 Years	FZ-SVCTPHS4Y
5 Years	FZ-SVCTPHS5Y

*Does not include battery replacement beyond the tablet 1-year battery warranty. If battery XW is not purchased, all battery replacements after 1 year from purchase are considered out of warranty and chargeable.

**Customer purchases the swap pool units. Spare unit quantity based on user hours and environment and should be minimum of 4% of installed units. Drive imaging included in SKU pricing. Replacement unit is shipped the same day if the call is received before 3 PM ET.
