

B8103 Enclosure

www.boschsecurity.com

BOSCH
Invented for life

- Easy-to-install standoff location for mounting supported modules
- Made with cold-rolled steel with a white semi-gloss finish
- Easy access locations for battery placement
- Optional tamper switch mounting location

The enclosure houses many control panels and modules by Bosch. It is compatible with an enclosure tamper switch and can hold up to two batteries. Use the enclosure for residential fire and burglary installations and commercial burglary applications that do not require attack resistance.
