Sound Surveillance™

ML1-WPW Weather resistant, surface mount, un-pre-amplified microphone

Description

The ML1-WPW is a low cost, weather resistant omni-directional electret microphone for use with I/P cameras accepting **microphone level input** signals (PC compatible input). The attached cord is 6' long and comes standard with a stereo 3.5mm connector on one end. The ML1-WPW's 3.5mm connector can be removed and the cord can be directly connected to cameras with terminal blocks.

Note-camera must accept electret type microphone inputs (camera supplies power to ECM cartridge)

ML1-WPW Specifications

- Omni-directional pattern
- Max SPL 120db
- Frequency response: 20-18khz
- Sensitivity -60db
- 1.5-10Vdc operation
