

## NDA-5081-TM Tilt mount 20-deg, 110mm

- ▶ 20 degree tilt mount for angled camera positioning typical for wall installations
- ▶ Perfect for 180 degree panoramic views for wall installations with the FLEXIDOME panoramic 5100i family
- ▶ Weather resistant finish to maintain cosmetic appearance

This camera-specific accessory is designed for use with Bosch's line of universal accessories. The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations while retaining the same look and feel.

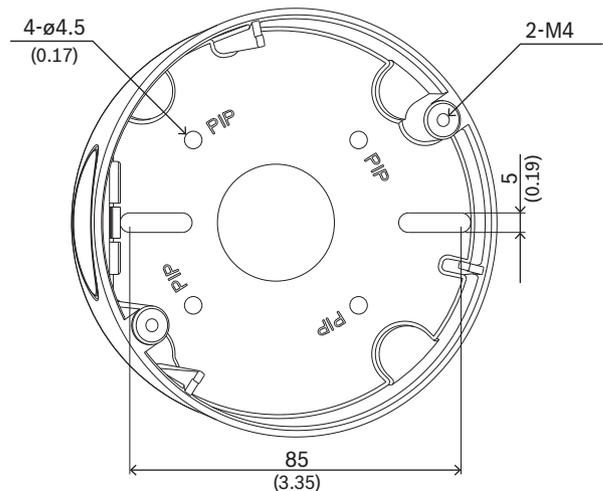

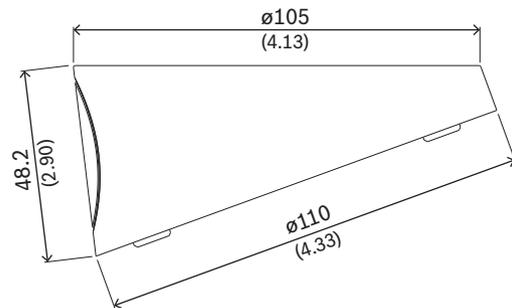

### Functions

The NDA-5081-TM is designed especially for indoor use with the FLEXIDOME panoramic 5100i family. It provides an additional 20 degree tilt to dome camera installations when connected to a pendant interface plate.
