

# AUDIO BEACON

## Quick Guide

SPS-A100M

## Important

Please check 'Manuals' from our website, before connecting to the Supply,  
<https://www.hanwhavision.com/en/download-data/>

## Warranty

Please check "Product warranty information" from our website.  
<https://www.hanwhavision.com/en/support/warranty/>

We recommend to use the officially compatible VMS version or latest Hanwha NVR version when integrating with VMS or Hanwha NVR.

Hanwha Vision cares for the environment at all product manufacturing stages, and is taking measures to provide customers with more environmentally friendly products.

The Eco mark represents Hanwha Vision's devotion to creating environmentally friendly products, and indicates that the product satisfies the EU RoHS Directive.

### Correct Disposal of This Product (Waste Electrical & Electronic Equipment)

(Applicable in the European Union and other European countries with separate collection systems)

This marking on the product, accessories or literature indicates that the product and its electronic accessories (e.g. charger, headset, USB cable) should not be disposed of with other household waste at the end of their working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate these items from other types of waste and recycle them responsibly to promote the sustainable reuse of material resources.

Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take these items for environmentally safe recycling.

Business users should contact their supplier and check the terms and conditions of the purchase contract.

This product and its electronic accessories should not be mixed with other commercial wastes for disposal.

### Correct disposal of batteries in this product

(Applicable in the European Union and other European countries with separate battery return systems.)

This marking on the battery, manual or packaging indicates that the batteries in this product should not be disposed of with other household waste at the end of their working life. Where marked, the chemical symbols Hg, Cd or Pb indicate that the battery contains mercury, cadmium or lead above the reference levels in EC Directive 2006/66. If batteries are not properly disposed of, these substances can cause harm to human health or the environment.

To protect natural resources and to promote material reuse, please separate batteries from other types of waste and recycle them through your local, free battery return system.

## SAFETY INFORMATION

---

## COMPONENT

---

As for each sales country, accessories are not the same.

### Options (not included)

SBP-060BA

SBP-215HMWB

## INSTALLATION

1

2

## INSTALLATION

3-1

- Directly installing on ceiling

3-2

## INSTALLATION

## PASSWORD SETTING

When you access the product for the first time, you must register the login password.

Administrator password change

New password

Confirm new password

- If the password is 8 to 9 characters long, it must include at least 3 of the following character types: English uppercase letters, English lowercase letters, numbers, and special characters. (support up to 64 characters)
- If the password is 10 characters or longer, it must include at least 2 of the following character types: English uppercase letters, English lowercase letters, numbers, and special characters.
- ID may not be used as password. The password and ID cannot be identical.
- The following special characters can be used: ~!@#\$%^&\*()\_-=+{ }[]\|;:'" <>.,?/.
- You may not use more than 4 consecutive characters (example: 1234, abcd, etc.).
- You may not use the same character 4 or more times consecutively (example: 1111, aaaa, etc.).

Apply

- For a new password with 8 to 9 characters, you must use at least 3 of the following: uppercase/lowercase letters, numbers and special characters. For a password with 10 characters or longer, you must use at least 2 types of those mentioned. (support up to 64 characters)
  - Special characters that are allowed: ~!@#\$%^&\*()\_-=+{ }[]\|;:'" <>.,?/
- Space is not allowed for password.
- For higher security, you are not recommended to repeat the same characters or consecutive keyboard inputs for your passwords.
- If you lost your password, you can press the [RESET] button to initialize the product. So, don't lose your password by using a memo pad or memorizing it.

## LOGIN

On every access to the audio beacon, the login prompt appears.

You can access the audio beacon by entering the set user name and password.

- 1 Enter "admin" in the <User Name> input box.
- 2 Enter the password in the <Password> input field.
- 3 Click [Sign in].

## CONNECTING TO WIFI

### Setting up audio beacon

- 1 Connect the OTG gender (Type-C) and WiFi dongle to the USB Type C terminal.

### Smartphone setting

- 1 Install the Wisenet Installation application.
- 2 Select the audio beacon's SSID after turning on WiFi.
- 3 Run the Wisenet Installation application.
- 4 When logged in to the audio beacon, the audio beacon will automatically turn on and you will see a compass UI for orientation. Orient the product and proceed with the settings.

Подлежит использованию по назначению  
в нормальных условиях  
Срок службы : 7 лет.
